**TERMS & CONDITIONS OF ENROLMENT**

**EVENING STUDENTS:** Notice in writing is required if a student wishes to withdraw from a program after enrolment. The matter will be dealt with within 14 days and any moneys to be refunded will be paid to the person or company named as paying the fees and according to the following terms:

Cancellation more than 14 days prior to commencement date: Tuition fees paid are refunded.

Cancellation less than 14 days prior to commencement date or after commencement: Fees for subject due to start in less than 14 days or already started are retained by (or due to) the College, and any balance of tuition fees paid is refunded.

If a student who has paid in full and received a discount withdraws prior to completion then any refund is calculated as the balance of monies paid after subjects commenced or due to be paid have been deducted at their full rate.

This agreement, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia’s consumer protection laws. The College reserves the right to cancel the enrollment of a student for breaching the Rules of the College. Should this occur, fees for the current subject / subjects would be retained by (or due to) the College and any balance refunded to the named fee payer.

A student who does not meet their financial obligations throughout their enrolment may be suspended from attending until they have paid the fees due.
